### SCITT- School Centred Initial Teacher Training

We are thrilled to announce that in September 2018 we will officially be a SCITT school. We will have up to 30 trainee students that wish to become primary teachers. Assistant Head Andrea Stirling-Williams will be the SCITT manager and we will be working with Glenthorne, as they will offer the secondary route. The SCITT trainees will be based in part of the children's centre (that is not used) and they will be having placements at local primary schools, who are keen to be involved. We are very proud to have been awarded this exciting opportunity. We will be sending out further information, in a separate letter, as well as updates.

### Individual School Photo's

Individual School photos will take place on Wednesday 15<sup>th</sup> & Thursday 16<sup>th</sup> November.
