Dear Parents, Carers and Stakeholders,

**Re: Multi-Academy Trust (MAT)**

As you will be aware, we have been consulting on setting up a Multi-Academy Trust (MAT) with Glenthorne High School and would like to thank everyone who contributed to this. The Governing Body have reviewed the feedback **and have decided to proceed in principle** with this and we will, of course, take all feedback into account as we move forward.

Glenthorne High School has also held a formal consultation **and their governors have also agreed in principle to proceed.**

We will now move forward to establish a joint MAT. There are still many obstacles to negotiate but if no significant issues arise then the intention is to establish the joint MAT before the end of the academic year.

We will of course keep you updated as the process develops.

Yours sincerely

Ms Julie Davey
